About the Author

Christopher Marlowe

Christopher Marlowe also known as Kit Marlowe, was an English playwright, poet, and translator of the Elizabethan era. Marlowe is among the most famous of the Elizabethan playwrights. Based upon the "many imitations" of his play Tamburlaine, modern scholars consider him to have been the foremost dramatist in London in the years just before his mysterious early death. A contemporary of William Shakespeare, Marlowe is best known for pioneering the use of blank verse in drama, which significantly impacted English theatre.

Product Description

The Tragical History of the Life and Death of Doctor Faustus, commonly referred to simply as Doctor Faustus, is an Elizabethan tragedy by Christopher Marlowe, based on German stories about a scholar who sells his soul to the devil in exchange for magical power. Written in the late 16th century and first performed around 1594, the play follows Faustus's rise as a magician through his pact with Lucifer—facilitated by the demon Mephistopheles—and his ultimate downfall as he fails to repent before his damnation. Faustus and Mephistopheles remain iconic figures in Western literature.
