About the Book

The Pursuit of Happiness is a memoir by Chris Gardner, which recounts his journey from homelessness to becoming a successful stockbroker. The book details Gardner's struggles as a single father raising his son while facing financial hardship and numerous obstacles. Despite the challenges, including living in shelters and battling systemic issues, Gardner's determination and resilience shine through. His story emphasises the importance of perseverance, the pursuit of dreams, and the belief that happiness can be achieved through hard work and tenacity, inspiring many to overcome their own difficulties.

About the Author

Author: Daniel G. Brinton

Daniel G. Brinton was an American physician, anthropologist, and archaeologist known for his pioneering work in the study of Native American cultures. Born in Pennsylvania, Brinton graduated from the University of Pennsylvania and became a prominent figure in the field of anthropology during the late 19th century. He is best known for his studies on the languages, myths, and customs of Indigenous peoples, as well as for advocating for the recognition and preservation of Native American heritage. Brinton authored several influential works, including *The American Race and Myths of the New World*, contributing significantly to the understanding of cultural diversity in the Americas.
