About the Author

George Orwell

George Orwell, born as Eric Arthur Blair on June 25, 1903 in Bihar, India, was a muchrespected English novelist, political author, and journalist who wrote some of the finest pieces in literary criticism, poetry, fiction, and polemical journalism. Orwell's work is known for its simplicity, astuteness, and wit, and he wrote with great cleverness on subjects such as anti-fascism, democratic socialism, totalitarianism, and the anti-Stalinist left. His best works include Animal Farm, Nineteen Eighty Four, and Homage to Catalonia. Orwell died at the age of forty-six in 1950.

Product Description

Down and Out in Paris and London is a semi-autobiographical work by George Orwell that explores poverty and survival in two major cities. The book follows Orwell’s experiences living in near-destitution, working menial jobs in Paris kitchens and wandering homeless in London. It highlights social inequality, the harsh realities of low-wage labor, and human resilience, offering a powerful critique of class divisions and the invisibility of the poor in modern society.
