About the Book

The Autobiography of Benjamin Franklin, the life story of one of the most important figures in American history is recounted. The book tells the story of Franklin's early days as a printer, publisher and inventor through to the year 1757 where the Autobiography ends uncompleted. Franklin wrote this autobiography during three different periods in his life and it is supposed that it is left unfinished due to his dying before its completion. There may be no greater figure in American history than Benjamin Franklin and here the reader will delight in an intimate portrait of the man.

About the Author

Author: Charles W Elliot LLD

I was born in Boston, New England and owe my first instructions in literature to the free grammar-schools established there. I therefore give one hundred pounds sterling to my executors, to be by them... paid over to the managers or directors of the free schools in my native town of Boston, to be by them... put out to interest and so continued at interest forever, which interest annually shall be laid out in silver medals and given as honorary rewards annually by the directors of the said free schools belonging to the said town, in such manner as to the discretion of the selectmen of the said town shall seem meet.
