About the Author

Franz Kafka

An icon of twentieth-century literature, Franz Kafka was born on July 3, 1883, into a middle class, German family in Prague. Never famous in his own lifetime, most of Kafka's works were published and translated only during the 1920s and 1930s and almost instantly, they became cult texts of modern literature. The Judgment, The Metamorphosis and Amerika were all written in 1912 while The Trial, Kafka's most famous novel, was written in 1914. Kafka died of tuberculosis in 1924.

Product Description

A terrifying psychological trip into the life of one Joseph K., an ordinary man who wakes up one day to find himself accused of a crime he did not commit, a crime whose nature is never revealed to him. Once arrested, he is released, but must report to court on a regular basis--an event that proves maddening, as nothing is ever resolved. As he grows more uncertain of his fate, his personal life--including work at a bank and his relations with his landlady and a young woman who lives next door--becomes increasingly unpredictable. As K. tries to gain control, he succeeds only in accelerating his own excruciating downward spiral.
