About the Book

Ek Bharat and Shreshta Bharat are the vision, while Minimum Government and Maximum Governance are the strategies to build the future of every Indian. India is a civilisational nation whose growing geopolitical status and economic growth have made it the voice of the global south. The journey towards Viksit Bharat, wealth creators, is the main driving force of the country's growth story at a time when India's policies, commitment determination decisions and investments are becoming the basis of global progress. Due to low inflation and high growth, world leaders and investors are filled with positivity for Bharat, eager to strengthen the global supply chain and as an active participant in the global value chain while pursuing goals of Zero Poverty, Net Zero Energy Transition with Zero-Effect and Zero-Defect manufacturing for an Atma Nirbhar Bharat or Viksit Bharat.
