About the Author

Napoleon Hill

NAPOLEON HILL (1883-1970), best known for his global bestseller Think and Grow Rich, was a self-help author and businessman whose work has influenced millions across the world, from Norman Vincent Peale to Donald Trump. Born poor, Hill lived a colourful life, pursuing several different business ventures and professions. He also met and advised many famous people, such as US President Woodrow Wilson. Hill eventually found widespread success as a motivational author, writing several books on how to achieve success and practically creating the self-help genre.

W. Clement Stone

W. Clement Stone was an American businessman, philanthropist, and self-help author. Known for his work in personal development, he co-authored *Success Through a Positive Mental Attitude* with Napoleon Hill. Published in 1959, the book emphasizes the power of maintaining a positive attitude and how it can lead to success in all aspects of life. Stone's own life was a testament to his philosophy, as he built a thriving insurance empire.

Product Description

Success Through a Positive Mental Attitude by Napoleon Hill, co-authored with W. Clement Stone, emphasizes the power of a positive mindset in achieving success. Published in 1959, the book presents the idea that maintaining a positive mental attitude (PMA) can transform challenges into opportunities. Hill and Stone share practical principles for personal growth, goal-setting, and overcoming obstacles, stressing the importance of self-belief, persistence, and a proactive approach. This book offers a timeless guide for unlocking one's potential and attaining success.
